## CAREER HISTORY

### Teacher - National Youth Service Corps | General Murtala Muhammed College, Yola

2021 - 2022

Instructed secondary school students in Marketing and Commerce subjects, fostering their understanding of business concepts and preparing them for future academic and practical endeavors in the field.

- Supported the lead teacher in curriculum planning and effectively delivering Marketing and Commerce lessons to secondary school students, ensuring a comprehensive and engaging educational experience.
- Offered personalized one-on-one assistance and academic guidance to students requiring extra support in comprehending and completing their Marketing and Commerce coursework, fostering their individual academic growth.
- Assisted in organizing classroom logistics, encompassing supply management and creating an optimal learning environment to facilitate effective teaching and student engagement.
- Contributed to grading assignments and assessments, providing valuable feedback to students to facilitate their improvement and academic growth.
- Collaborated closely with the lead teacher to cultivate a positive and inclusive classroom atmosphere, fostering student engagement and an environment conducive to effective learning.

## **Manager | Alhaja Iya Ope Cosmetics and Perfume Stores - Offa**

**2014 - 2021**

Fostered a culture of performance by conducting regular evaluations, offering constructive feedback, nurturing employee growth, and emphasizing utility derived from our products.

- Addressed challenges head-on, using intellectual and creative approaches to develop and implement successful solutions, and emphasized the importance of the marketing mix (Product, Place, Price, and Promotion) to drive success.
- Efficiently managed teams and emphasized the importance of efficiency and effectiveness to achieve our primary objectives.
- Utilized my ability to work effectively both independently and within groups to achieve common goals, whether executing successful plans independently or working collaboratively to ascertain a shared objective.
- Consistently assessed the market and developed innovative strategies to improve the company's reputation and revenue streams.
- Prioritized and allocated resources wisely, ensuring that budgets and assets were optimally utilized to meet business goals.
- Fostered a culture of performance through evaluations and feedback.
- Developed and implemented successful solutions to challenges.
